

March 1, 2017

Dear Supporter and Partner:

The years of support of Javacya Arts Conservatory have inspired, encouraged, and helped students to pursue proficiency. We are extremely appreciative!

For the past four concert seasons, in lieu of our normal concert schedule, Javacya has loaned their program development expertise to both private schools and surrounding school districts to assist with arts integration and high quality performing arts training. We are back and proud to announce the 2017-2018 concert and recital season at the St. Peter's Anglican Church of Tallahassee. For the performing arts, its venue is priceless!

Javacya students are doing very well. They are now alumni of the *Cincinnati College-Conservatory of Music*, *Conservatory of Music and Dance University of Missouri-Kansas City*, *New York University (Steinhardt)*, *Lynn University*, *Berklee College of Music*, *The Great Wall Music Academy*, *Sphinx Performance Academy*, *Florida State University College of Music*, *Florida A&M University*, and other fine institutions. Your support for special summer studies has assisted with attendance to *Cadenza International Music Festival* (London), *The Julliard Summer Studies Institute*, *Interlochen Summer Music Festival* (Michigan), *Aspen Music Festival*(Colorado), *Luzerne Music Festival* (New York), *Sewanee Music Festival* (Tennessee), the *Javacya Arts Conservatory Summer Music Institute (Florida & South Carolina)*, and many others. As college students and professionals, they are performing at *The Kennedy Center*, *The Julliard School*, *Carnegie Hall*, *The Gasteig in Munich*, and being named winners at the *Indie Music Festival* (Dublin, Ireland). In addition, they are being nominated for Grammy awards, holding key administrative positions around the United States, and playing in six of the seven continents.

Thank you again! Your support is always cherished and never forgotten!

SAVE THE DATE
